

BOARD FOR PROPRIETARY EDUCATION

Wednesday, June 1, 2016

DECISION ITEM A-5:

Embry-Riddle Aeronautical University: One Associate's Degree Program and Six Baccalaureate Degree Programs Offered at One Location

Staff Recommendation

That the Board for Proprietary Education approve the Associate of Science (A.S.) in Engineering Fundamentals, Bachelor of Science (B.S.) in Communication, B.S. in Engineering Technology, B.S. in Interdisciplinary Studies, B.S. in Logistics and Supply Chain Management, B.S. in Safety Management, and B.S. in Unmanned Systems Applications in accordance with the background discussion in this agenda item and the Applications for Degree Approval.

Background

Institution Profile

Embry-Riddle Aeronautical University is regionally accredited by the Southern Association of Colleges and Schools (SACS). SACS accredits Embry-Riddle Aeronautical University in 35 states including Indiana. The National Center for Education Statistics (NCES) does not presently list enrollment data for Embry-Riddle Aeronautical University at Indianapolis.

Degree Program Profiles

Associate of Science (A.S.) in Engineering Fundamentals at Indianapolis

This program consists of 65 semester hours, with 77% of the courses in the specialty. The faculty consists of seven individuals, of whom three are full-time and the remaining four are part-time. Of the seven individuals, three have a doctoral degree, and four have a master's degree.

*Bachelor of Science (B.S.) in
Communication at
Indianapolis*

The program consists of 120 semester hours, with 43% of the courses in the specialty. The faculty consists of seven individuals, of whom three are full-time and the remaining four are part-time. Of the seven individuals, three have a doctoral degree, and four have a master's degree.

*Bachelor of Science (B.S.) in
Engineering Technology at
Indianapolis*

This program consists of 122 semester hours, with 58% of the courses in the specialty. The faculty consists of seven individuals, of whom three are full-time and the remaining four are part-time. Of the seven individuals, three have a doctoral degree, and four have a master's degree.

*Bachelor of Science (B.S.) in
Interdisciplinary Studies at
Indianapolis*

This program consists of 120 semester hours, with 58% of the courses in the specialty. The faculty consists of seven individuals, of whom three are full-time and the remaining four are part-time. Of the seven individuals, three have a doctoral degree, and four have a master's degree.

*Bachelor of Science (B.S.) in
Logistics & Supply Chain Management at
Indianapolis*

This program consists of 120 semester hours, with 70% of the courses in the specialty. The faculty consists of seven individuals, of whom three are full-time and the remaining four are part-time. Of the seven individuals, three have a doctoral degree, and four have a master's degree.

*Bachelor of Science (B.S.) in
Safety Management at
Indianapolis*

This program consists of 121 semester hours, with 70% of the courses in the specialty. The faculty consists of seven individuals, of whom three are full-time and the remaining four are part-time. Of the seven individuals, three have a doctoral degree, and four have a master's degree.

*Bachelor of Science (B.S.) in
Unmanned Systems Applications at
Indianapolis*

This program consists of 120 semester hours, with 70% of the courses in the specialty. The faculty consists of seven individuals, of whom three are full-time and the remaining four are part-time. Of the seven individuals, three have a doctoral degree, and four have a master's degree.
